Subject: Request to Swap EMI Deduction from Savings Account to Current Account

Dear Sir/Madam,

I am maintaining both a Savings Account (A/c No: **4358779624**) and a Current Account (A/c No: **41496814157**) with your branch. Presently, my EMI is being deducted from the above-mentioned Savings Account.

I kindly request you to change the mandate so that all future EMI deductions are debited from my Current Account instead of my Savings Account.

Kindly process this request at the earliest and confirm the change. Please let me know if any additional forms or documents are required to complete this process.

Yours faithfully,

FOR DEEPAK INDUSTRIES
